

## Bilibili Inc. Announces Proposed Offering of US\$1,400 Million Convertible Senior Notes

November 18, 2021

SHANGHAI, China, Nov. 18, 2021 (GLOBE NEWSWIRE) -- Bilibili Inc. ("Bilibili" or the "Company") (NASDAQ: BILI and HKEX: 9626), an iconic brand and a leading video community for young generations in China, today announced a proposed offering (the "Notes Offering") of US\$1,400 million in aggregate principal amount of convertible senior notes due 2026 (the "Notes") subject to market conditions and other factors. The Company intends to grant the initial purchasers in the Notes Offering a 30-day option to purchase up to an additional US\$200 million principal amount of the Notes.

The Company intends to use the net proceeds from the Notes Offering for the enrichment of content offerings, research and development, and general corporate purposes. The Company plans to use an equivalent amount of the net proceeds from the Notes Offering to finance or refinance, in whole or in part, one or more of its new or existing Eligible Projects pursuant to its Sustainable Finance Framework, which has been made available to investors via the Company's IR website: [ir.bilibili.com](http://ir.bilibili.com).

When issued, the Notes will be senior, unsecured obligations of Bilibili. The Notes will mature on December 1, 2026, unless repurchased, redeemed or converted in accordance with their terms prior to such date. Holders may convert their Notes at their option at any time prior to the close of business on the fifth scheduled trading day immediately preceding the maturity date. Upon conversion, the Company will pay or deliver, as the case may be, cash, the Company's American depositary shares (the "ADSs") or a combination of cash and ADSs, at its election. Holders of the Notes may elect to receive Class Z ordinary shares in lieu of any ADSs deliverable upon conversion. The interest rate, initial conversion rate and other terms of the Notes will be determined at the time of pricing of the Notes.

The Company may redeem for cash all or any part of the Notes on or after December 1, 2024 if the last reported sale price of the ADSs has been at least 130% of the conversion price for the Notes then in effect for at least 20 trading days, whether or not consecutive, during any 30 consecutive trading day period preceding the date on which the Company provides notice of redemption (the "Optional Redemption"). In addition, the Company may redeem for cash all but not part of the Notes at any time if less than 10% of the aggregate principal amount of Notes originally issued remains outstanding at such time (the "Cleanup Redemption"). The Company may also redeem the Notes upon the occurrence of certain tax-related events (the "Tax Redemption"). Holders of the Notes may require the Company to repurchase for cash all or part of their Notes in cash on December 1, 2024, or in the event of certain fundamental changes. In connection with certain corporate events or if the Company issues a notice of Optional Redemption, Cleanup Redemption or Tax Redemption, it will, under certain circumstances, increase the conversion rate for holders who elect to convert their Notes in connection with such corporate event or such Optional Redemption, Cleanup Redemption or Tax Redemption.

Concurrently with this Notes Offering, the Company may enter into separate and individually negotiated transactions with certain holders of the Company's 1.375% Convertible Senior Notes due 2026 (the "2026 Notes") to exchange their notes for the ADSs. The terms of each exchange transaction will depend on several factors, including the market price of the ADSs and the trading price of the 2026 Notes at the time of each such exchange transaction. No assurance can be given as to how much, if any, of the 2026 Notes will be exchanged or the terms on which they will be exchanged. The exchange transactions could increase (or reduce any decrease in) or decrease (or reduce any increase in) the market price of the ADSs or the Notes offered hereby at that time. In the case of any exchanges effected concurrently with the Notes Offering, this activity may also impact the initial conversion price of the Note.

The Notes, the ADSs deliverable upon conversion of the Notes, if any, or the Class Z ordinary shares represented thereby or deliverable upon conversion of Notes in lieu thereof have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act") or the securities laws of any other places. They may not be offered or sold within the United States or to U.S. persons, except to persons reasonably believed to be qualified institutional buyers in reliance on the exemption from registration provided by Rule 144A under the Securities Act.

This press release shall not constitute an offer to sell or a solicitation of an offer to purchase any securities, nor shall there be a sale of the securities in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful.

This press release contains information about the pending offering of the Notes and exchange of the 2026 Notes, and there can be no assurance that any of the Notes Offering and exchange of the 2026 Notes will be completed.
